Our Clients

Our Journey

26 years of endeavor. A total dedication to excellent quality, competitive price and timely deliveries are the factors that have helped us to grow from a modest beginning into a premier Computer Forms, Photocopy and Cash Register Rolls manufacturer in Sri Lanka.

Performance..... Professionalism.....Perfections.....are my three elements that continuously inspired and motivated all of us at Tiljay for the benefit of our prestigious portfolio of our clients.

As a company policy the management at Tiljay invested a great deal of time, effort & money in upgrading the skill levels and professionalism of our employees. This has been complemented by European high-tech modern machines.

Spear by a dynamic experienced marketing team couple with foreign-trained machine operators and fully computerized systems at Tiljay offer you a combination of quality products and price that's difficult to equal and virtually impossible to beat!
